### SCOPE

This policy applies to:

2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

### DEFINITIONS

**A mobile phone** is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network. For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches.

### POLICY

Footscray City Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Footscray City Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored during school hours
- Exceptions to this policy may be applied if certain conditions are met (see below for further information)

## Personal mobile phone use

In accordance with the Department's [Mobile Phones Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Footscray City Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

## Secure storage

Mobile phones owned by students at Footscray City Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Footscray City Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Footscray City Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Footscray City Primary School students are required to sign in and hand their mobile phones into the school administration office and the phone will be stored securely within the office.
