

2021 Grade 4 Student Learning Items Breakdown of Costs

Below is a breakdown of the Student Learning Items provided by the school and incorporated into the parent payment.

While we are required by Department of Education and Training to offer you the option of buying your own supplies, it is Footscray City Primary School's practice to provide essential items to ensure every student has exactly what they need. By bulk purchasing our stationery we are able to secure it at a reduced price.
